# RIVER CITY SOCCER CLUB

Coaches, Players and Parents –

Welcome to the 2011 River City Cup.

We have an exciting weekend of soccer and activities ahead of us and, as ever, we are grateful for your attendance and participation.

First of all, a huge thank you to Jeff Orwick. Without him this tournament would have never been possible. Another large thank you to the RC Structure Committee for all of their hard work. I would also like to thank the our hosts from the Spokane Valley Junior Soccer Association as well as the Plantes Ferry Soccer Complex Staff. A special thanks to River City coaches, players, parents and administrators for all the work they put into the club and tournament. This year we have had wonderful sponsors and donors. We ask that you go out and support their businesses as they support youth sports in Washington.

Saturday night at 7:30 we feature the third annual Coaches vs. Cancer exhibition game. River City coaches will be playing against a combined team of guest coaches. Come cheer on your coach as you switch places and watch them try to run up and down the field! Enjoy the relaxed atmosphere with family and friends while supporting the coaches and managers as they join in the fight against cancer. In show of River City's support towards the fight against cancer, 25% of the weekends parking fees will be donated to the American Cancer Society and Coaches VS. Cancer.

Make a point to come check out the tournament headquarters. Get tournament merchandise, see how fast you can shoot and get your picture taken with your friends at our instant photo booth. Should be a great weekend of sunshine and fun!

**Enjoy yourselves, play hard and have fun. Thank you for being a part of the River City Cup. We are glad to have you!**
