## Scholarship Agreement

It has long been RCSC's mission to provide anyone wishing to play soccer to have that opportunity. It is the belief of the club's administration that financial inabilities should not be a hindrance to a player's desire to play. We are happy to offer scholarships so that players and families in need will be able to participate with RCSC.

The club has recently redesigned the scholarship policy with a structured scale of necessity based awards and payment. Although the club believes that financial help should be available, we no longer offer it as a "free ride". Scholarships will be repaid through volunteer hours based on the scale below. For the year of 2009, River City Club dues are set at \$150. Association dues are broken down according to team and number of registered players rostered.

### Scholarship Level:

Level	1	~	RCSC Club dues lowered to \$100 (No Association dues paid)
Level	2	~	RCSC Club dues lowered to \$50 (No Association dues paid)
Level	3	~	RCSC Club dues waived (Club pays no Association dues)
Level	4	~	RCSC Club dues waived (Club pays 50% Association dues)
Level	5	~	RCSC Club dues waived (Club pays full Association dues)

### Repayment Scale:

Level	1	~	5 Hours of volunteer service to RCSC
Level	2	~	10 Hours of volunteer service to RCSC
Level	3	~	15 Hours of volunteer service to RCSC
Level	4	~	20 Hours of volunteer service to RCSC
Level	5	~	25 Hours of volunteer service to RCSC

Hours of volunteer service may be repaid by any person in association with the player whom the scholarship was rewarded. However, 20% of total volunteer hours must be completed by said player. Volunteer hours may be completed at the River City Cup, River City Recreational Tournament, or any RCSC Club sanctioned event. Such events will be posted under the "Volunteer" section of RCSC's website.
